

Navigate Tax Hub

Tax research involves navigating complex challenges:

- Laws are intricate and constantly evolving.
- Teams spend significant time researching case laws and statutes.
- Multiple portals and large volumes of content pose challenges.
- Manual preparation raises quality concerns and need for additional reviews.

What if you could get instant answers to tough tax questions?

Introducing Navigate Tax Hub – an AI-driven assistant that thinks like you, but faster. This tool can help you revolutionise tax research by cutting hours to minutes, understanding legal complexities and enhancing the drafting process.

This isn't just automation – it's intelligence, speed and clarity.

How Navigate Tax Hub helps your team

Browse multiple data sources instantly

Quickly access case laws, circulars, notifications and more, powered by leading content providers.

Draft collaboratively with AI, within minutes

Effortlessly draft accurate documents, replies, opinions and position papers interactively with AI.

Instantly summarise complex documents

Overcome the complexities of legal documents, from case laws to agreements, with concise summaries that simplify your workload.

Relevant information, at your fingertips

Get impact analyses, ensuring you always have the latest information for ongoing matters.

Search the way you think

Get immediate answers from our AI-powered repository of case laws, acts and rules, delivering precise insights.

Knowledge delivered – anytime, anywhere

Access insights via the mobile app or Microsoft Office Add-ins.
